Great world recognition for Božidar Deodat Krešić.

BDK received an invitation to the 4th European Towerrunning Professionals Championships in Warsaw. In addition, BDK is the oldest competitor in the Championship. 4. European Championship in professional towerrunning as a regular event of the Towerrunning Tour. will be held on May 21, 2022 in Warsaw on Rondo 1 (Bieg Na Szczyt Rondo 1 / Rondo 1 Run Up). The European Championship is organized as a joint project of the Towerrunning World Association (TWA) and the organizers of Rondo 1 Run Up. Athletes have to climb 38 floors – 76 floors – 2310 steps twice. It will be a strong race with the participation of the best professional experts in this discipline on the Old Continent. About 600 runners are expected. Only 13 runners from Europe received the invitation: 9 men and 4 women. The start of the race is 21.05.2022 and before that there is the amateur toverrunning race. Without the help of Bartol Simic's friend, BDK would not have seen the championship. Božidar Deodat Krešić, a philanthropist, seventy-three-year-old elite world towerrunning disabled runner, was honored and awarded an exclusive privilege invitation (paid travel expenses (and free accommodation for two nights in Warsaw. May 20 – May 22) and nominated by the Croatian national association Towerrunning Croatia Association the only official body for organizing towerrunning for Croatia. BDK is the only athlete with an invitation from the Balkans.
