Lars Morgan Migge

Prvenstvo je održano 29.10.2022 u Osijeku, Trg slobode 8 s početkom u 9 sati.

Prvenstvo je održano nakon eliminacijskih utrka. Na utrci je nastupio 10. trkač svijeta 50. godišnji LARS MORGAN MIGGE, član reprezentacije Njemačke, specijalista za utrke do 300 stepenica. Nastupio je radi skupljanja bodova za svjetsku

rang listu Towerrunning world association. Uvjet za održavanje natjecanja je bio da nastupi najmanje 10 registriranih sportaša u utrci. Sportaši su zbog svojih službenih obaveza istrčali svoje utrke dan ranije. Nevjerojatnije da će se Lars Morgan Migge popeti za nekoliko mjesta na svjetskoj rang listi jer će na ovoj utrci zaraditi 40 svjetskih bodova. To je veliko priznanje za Towerrunning Balkan association. On nije došao na jednu od mnogobrojnih utrka u Dalmaciji jer jedino sportske udruge Božidara Deodata Krešića ispunjavaju dva osnovna uvjeta priznavanja u Towerrunning world association: registracija sportske udruge sa osnovnom djelatnošću natjecateljsko penjanje stepenicama nebodera i statutarno priznavanje TWA.

Na prvenstvu je i nastupila slijepa osoba Stojan Bjelajac, predsjednik sportske udruge slijepih „SVJETLOST“ Osijek, koja je i sponzor prvenstva. Stojan je prva slijepa osoba u svijetu koja je istrčala službenu utrku i njegov rezultat je trenutno najbolji rezultat u svijetu.

Suorganizator prvenstva je Kršćanska humanitarna udruga Putevi milosti čiji su članovi educirani suci za towerrunning trčanje su bili mjerioci vremena.

Svi natjecatelji su nastupili na vlastitu odgovornost i organizator nije snosio odgovornost za štetu bilo koje vrste prije, za vrijeme i poslije utrke. Studio kabinet 11 Osijek, obrt za video produkciju izradio je fotose kao sponzor. "Zemljomjernik d.o.o. za izmjeru i katastar" je bez naknade izmjerio visinu uspona: 16 katova, 42 metra.

Direktor utrka: Božidar Deodat Krešić, jedini legitimni nacionalni predstavnik Hrvatske za towerrunning u Hrvatskoj i član TOP – 100 TWA (vlasnik 3 svjetska rezultata u towerrunningu). U petom mjesecu slijedeće godine ide na prvenstvo svijeta u Tajpen na otoku Tajvanu.

The championship was held on 29.10.2022 in Osijek, Trg slobode 8 starting at 9 am.

The championship was held after the elimination races. The race was attended by the 10th runner in the world 50th annual LARS MORGAN MIGGE, a member of the National Team of Germany, specialist in races up to 300 steps. He performed to collect points for the Towerrunning world association world association. The condition for holding the competition was that at least 10 registered athletes compete in the race. Athletes, due to their official obligations, ran their races the day before. More amazingly, Lars Morgan Migge will climb several places in the world rankings as he will earn 40 world points in this race. This is a great recognition for the Towerrunning Balkan Association. He did not come to one of the many races in Dalmatia because only the sports association božidar Deodat Krešića meet two basic conditions of recognition in the Towerrunnig world association: registration of a sports association with the main activity competitive climbing of skyscrapers and statutory recognition of TWA.

The championship was also attended by a blind person Stojan Bjelajac, president of the sports association of the blind "SVJETLOST" Osijek, which is also the sponsor of the championship. Stojan is the first blind person in the world to run an official race and his result is currently the best result in the world.

The co-organizer of the championship is the Christian Humanitarian Association Paths of Grace whose members are educated judges for towerrunning running were time rs.

All competitors participated at their own risk and the organizer was not responsible for damage of any kind before, during and after the race. Studio cabinet 11 0cut, craft for video production made photos as a sponsor. "Zemljajernik d.o.o. for measurement and cadastre" measured the height of the ascent free of charge: 16 floors, 42 meters.

Race director: Božidar Deodat Krešić, the only legitimate national representative of Croatia for towerrunning in Croatia and a member of THE TOP – 100 TWA (owner of 3 world results in towerrunning). In The Fifth Month of next year, he goes to the World Championships in Taipen on the island of Taiwan.
